## Old Navy Lady's Sweater

The picture shows an Old Navy Maternity Sweater (Hong Kong) that is made of 70% Cotton, 30% Wool.

On the inside, a brown linen tape was sewn to the nape above the name tag, as seen in the picture.

This sweater was very inexpensive – it cost only \$9.00.

This demonstrates one of the reasons why a sweater requires testing, even though it has no lining, etc.
