Wool Seams in Linen Sweaters

Wool seam

Brand Name: Hazel

Content Label: 60% Linen, 40% Cotton [RN # 110778, Style # H31073]

Country of Origin: China

Shatnez Found: The **Hazel** sweater shown above has wool seams. One of its wool seams is located below the ribbing at the edge of the collar, above the nametag, inside the sweater (see picture). Please note, not all of the Hazel sweaters contained wool. Identical looking Hazel sweaters did not contain any wool.

The Lesson: Even if a few garment of a batch were tested and found free of Shatnez, it does not mean that all “identical” garments are Shatnez free!
