Children's Knit Hats

A linen thread was found inside a child's wool knit hat. The hat had no brand name or country of origin.

The linen thread was located at the center and can be seen only from the inside of the hat [see picture].

If the linen thread is removed the hat will unravel at the seam.

The contents label listed 50% Wool 50% Acrylic.

It was sold at a store in Boro Park.

Found By: R' Sasson Gelb [Boro Park Shatnez Laboratory].

Another child's knit wool hat was also found with a linen thread in the same spot as the other hat shown above. It was sold at a store in Monsey.

Brand Name: X treme (*Delli von Doll*)

Country of Origin: None

Content label: 50% Wool 50% Acrylic

Found By: R' Chaim Rosenberg [Monsey]
